Smart Parents

Be More Involved, Informed and Empowered in Your Child's Learning Journey!

What is Smart Parents?

A dedicated parent gateway in the SmartSchool ecosystem that keeps you closely connected to your child's learning, progress and well-being — anytime, anywhere.

What You Can Do as a Smart Parent

- **Track Progress** — See your child's learning and performance in real time.
- **Stay Updated** — Know assignments, upcoming tests and school activities.
- **Get Insights** — Understand strengths, areas to improve, and learning habits.
- **Communicate Easily** — Give feedback and work with Smart Teachers for your child's growth.
- **Support at Home** — Access learning resources, recommended exercises and learning tips.
- **Be Part of the Journey** — Share your views and ideas to help improve your child, the class and the entire SmartSchool.

The SmartSchool Ecosystem

SmartBox (Affordable, plug-and-learn learning hub) + **SmartScan** (AI-powered assessment & reporting) + **Smart Teachers** (Rated & trusted educators) = **Better Learning for Your Child**

The Impact on Your Child

- More personalised and effective learning
- Timely support when needed
- Builds confidence and independence
- Develops essential future skills (critical thinking, creativity, digital skills)
- Guided by qualified and highly-rated Smart Teachers

Why Parents Love SmartSchool

- Peace of mind – know your child is learning and progressing
- Stronger home–school partnership
- More time to support what matters (values, habits, interests)
- A safer, productive and more engaging digital learning environment
- Your feedback helps us continuously improve for all students

What Parents Say

"I can finally see my child's progress clearly and support her at home with the right resources."

"The regular updates and insights help me understand my son better and guide him more effectively."

"I love how easy it is to communicate with the teachers and get feedback. My daughter is now more confident in her studies!"

"SmartSchool keeps me involved, even with my busy work. It helps my child learn better and stay focused."

Join the Smart Parents Community Today!

Stay connected. Support your child.
Give feedback. Grow together with SmartSchool.
— for a brighter future for all Malaysian children.
